Mr. Homer D. Wampler III  
1615 S. Glenstone  
Springfield, Missouri 65804

Dear Mr. Wampler:

On a recent occasion, surveillance and enforcement personnel from this office investigated a complaint and found that a substance resembling crank case oil had apparently been drained into a manhole at the rear of a property located at 620 W. State here in Springfield. This office has no way of knowing who might be responsible for this action. Let me advise you that such activity is a violation of Chapter 30, Article I, Section 30-9 of the Springfield City Code.

This office maintains periodic surveillance throughout the corporate limits of the City. If you have any knowledge of the discharge described, you can help significantly by reporting any such activities immediately to this office.

If we may be of any assistance or can answer any questions, please do not hesitate to call.

Yours truly,

J. Randall Lyman  
Water Pollution Control Inspector  
Surveillance & Enforcement
